PRODUCT DESCRIPTION

Cord-grip lampholder with E27 thread in white and 15 cm long cable. Used as a temporary solution as an alternative to the proper lighting fixture. Combined with a selected bulb of max. 60W, it will provide light to assist in renovation or construction work.

The model is equipped with a flange so that the bulb cover of your choice can be fitted, and with a pendant that makes it easy to hang the fixture from the ceiling. The connection to the power supply (230V) is made

possible by a connection block for quick and easy fitting of the lampholder.

The product is made of plastic. Also available in black.
