

## LED Headlamp 10W, 800lm, 900mAh, movable head with clip

Marka: **Virone** | Symbol: **LT-22** | Ean: **5908254851230**

**ViRONE**

### PRODUCT DESCRIPTION

The LED headlamp is perfect for work that requires free hands and as an additional light source, for example when camping, cycling or going for an evening walk.

It is equipped with four lighting modes - low (30lm), medium (160lm), high (300lm) and a turbo mode (800lm) that lasts for 40s, effectively illuminating space at a range of up to nearly 90 m. The turbo mode is activated from any other mode by a longer button press.

The headlamp operates at 10W and emits light with a cold colour of 6000K. The LED technology ensures high luminous efficiency. The built-in 900mAh Li-Po battery eliminates the need to change batteries, and the USB-C port allows the product to be charged at any time (cable included). A built-in LED indicates the battery level.

The clip on the back of the lamp can be freely detached from the belt and attached to trousers or a rucksack. There is also a strong magnet in the casing to attach the product to metal surfaces. The movable head allows to regulate the lighting angle within 90°.

The headlamp is made of aluminium to guarantee durability. The IPX4 protection rate provides resistance to moisture and splashes of water from any direction, e.g. during drizzle or light rain.

The dimensions measure: 28x63x37 mm. Black colour.

## TECHNICAL DATA

### General information:

Lamp type:	LED, niewymienne
Power [W]:	10
Luminous flux [lm]:	800
Power type:	Akumulator Li-ion
Battery capacity [mAh]:	900
Number of batteries:	1
With batteries:	tak
Number of light modes:	4
Modes of operation:	Tryb wysoki (300lm), średni (160lm), niski (30lm), turbo (800lm)
Rechargeable:	tak
Battery charge indicator:	tak
Light range [m]:	89
Color temperature [K]:	6000
Color rendering index Ra/CRI:	70
Lifespan L70/B50 [h]:	50000

Number of switching cycles:	50000
Degree of protection (IP):	IPX4
Impact protection IK (shock resistance):	IK06
Model:	Światło czołowe
Material:	Aluminium
Colour housing:	Czarny
Length/height [mm]:	28
Width [mm]:	63
Depth [mm]:	37
Weight total [g]:	108
The ports:	USB-C
Accessories:	Kabel ładowania
Additional information:	Ruchoma głowica w zakresie ok. 90°, klips, magnes
Rechargeable:	tak
With light source:	tak
