LED flashlight 20W, 1000lm, 2000mAh, zoom function

Marka: **Virone** | Symbol: **LT-26** | Ean: **5908254851292**

ViRONE

PRODUCT DESCRIPTION

The 20W LED hand flashlight works perfectly in workshops, garages, basements, construction sites as well as in the home or during outdoor activities such as camping or hiking.

It is equipped with a built-in 2000mAh Li-ion battery charged via USB-C port (cable included) eliminating the need to replace classic batteries.

The device offers 3 modes: high, low and strobe. It provides strong light (1000lm) with a range of up to 800m. The zoom function facilitates to adjust the light beam as required, from broadly illuminating a space to precisely lighting a point. The LED light source combines high light efficiency with low energy consumption. It provides a cold light of 7000K.

The product is IPX4-rated, and its robust aluminium design ensures resistance to external damage. The handle in a special shape facilitates a secure and stable grip, even in difficult conditions. The wrist lanyard allows the flashlight to be carried comfortably and to be hung or attached to a rucksack.

Available in black-grey colour. The dimensions measure: 148–165x42 mm.

TECHNICAL DATA

General information:

Lamp type:	LED, niewymienne
Power [W]:	20
Luminous flux [lm]:	1000
Power type:	Akumulator Li-ion
Battery capacity [mAh]:	2000
Number of batteries:	1
With batteries:	tak
Number of light modes:	3
Modes of operation:	Tryb mocny, tryb średni, tryb stroboskopowy
Rechargeable:	tak
Light range [m]:	800
Color temperature [K]:	7000
Color rendering index Ra/CRI:	80
Lifespan L70/B50 [h]:	50000
Number of switching cycles:	10000
Degree of protection (IP):	IPX4
Impact protection IK (shock resistance):	IK06
Model:	Patrolowa

Material:	Aluminium
Colour housing:	Czarny/Szary
Length/height [mm]:	148-165
Width [mm]:	42
Weight total [g]:	203
The ports:	USB-C
Accessories:	Kabel ładowania, smycz na nadgarstek
Additional information:	Zoom
Rechargeable:	tak
With light source:	tak
