

FIJI pass-through mailbox with cylinder lock, black

Marka: **Virone** | Symbol: **MB-5/B** | Ean: **5904988905416**

PRODUCT DESCRIPTION

The classic, pass-through black FIJI mailbox will accommodate post up to C4 format. The mailbox is designed to be mounted directly on the fence (on the property side) or built into the wall. Available in several color versions, lockable with a cylinder lock with a set of keys, it is made of galvanised steel, and its timeless design makes it fit in with almost any façade or fence. The dimensions of the box are sufficient to handle correspondence in single and multi-family houses (40x29.5x12cm). The opening hole is 3.3 x 26.5 cm.
