

Heavy-duty extension cord with rubber cord 20m long, IP44

ORNO

Marka: Orno | Symbol: OR-AE-13290/20M | Ean: 5908254847042

PRODUCT DESCRIPTION

The 20m long heavy-duty splash-proof extension cord, IP44 rated, is an essential appliance for those looking for reliability and safety during work. It is equipped with one French-type socket (2P+E) with a plastic cover that protects it against water and dust. The extension cord also features safety shutters for secure use even in harsh outdoor conditions.

The cable is made of oil-resistant rubber (H07RN-F 3x1.5mm²) with a length of 20m, to ensure flexibility and

durability in any situation. It has one French-standard protective contact and an on/off switch for easy control of the power supply.

The extension cord operates at 230VAC/16A, with a maximum load of 3680W. Made of high-quality plastic with matte surface, it provides comfort, durability and safety of use. Black colour.

Available also in 10m and 30m versions.

TECHNICAL DATA
