

## Pull chain lamp switch, gold, 3A/250VAC

Marka: Orno | Symbol: OR-AE-13316/C | Ean: 5908254852800

### PRODUCT DESCRIPTION

Want to conveniently turn your light on and off without having to search for the switch on the housing? Use the chain lamp switch.

You pull the chain, and the device responds immediately, without having to take your eyes off what you are doing. The pull chain switch is primarily used in lighting, but can also be used in various types of electrical devices... The chain is 20 cm long, making it easy to reach at various mounting heights.

The PC housing and copper elements ensure durability, while the shiny gold finish looks elegant. The gold switching element contrasts well with the black/transparent body, so you can easily spot it even in low light.

The model is IP20 rated and operates at 250 V / 6 A, making it suitable for typical home lighting installations and auxiliary devices.
