ORNO

Marka: Orno | Symbol: OR-AE-1337/B/3M | Ean: 5908254817847

### PRODUCT DESCRIPTION

A set of three mains sockets with grounding and current circuit protection, with a maximum rated power of 2500W. These sockets are placed in a retractable housing. The device is designed for installation in desks, countertops and tables. Thanks to the very flat and milled edge, the panel in each table top looks neatly and does not make cleaning harder. The sockets can be mounted both vertically and horizontally, making it easier to connect additional devices to the power supply. The socket panel closes and opens after pressing. The set is equipped with a 3m long cable. Available colors: black, silver.
