

Recessed furniture sockets 3x2P+E with 3m cable, flat and milled edge, silver

ORNO

Marka: Orno | Symbol: OR-AE-1337/G/3M | Ean: 5908254817854

PRODUCT DESCRIPTION

A set of three mains sockets with grounding and current circuit protection, with a maximum rated power of 2500W. These sockets are placed in a retractable housing. The device is designed for installation in desks, countertops and tables. Thanks to the very flat and milled edge, the panel in each table top looks neatly and does not make cleaning harder. The sockets can be mounted both vertically and horizontally, making it easier to connect additional devices to the power supply. The socket panel closes and opens after pressing. The set is equipped with a 3m long cable. Available colors: black, silver.

TECHNICAL DATA

General information:

Model:	Built-in
Height:	67 mm
Folding:	Yes
Standard of the socket:	french (typ E)
Max. load:	3600 W
Number of socket outlets French standard (Type E):	3
Colour:	Silver
Material:	Zinc alloy + steel sheet
Frequency:	50 Hz
Degree of protection (IP):	IP20
Dimensions of the mounting hole -length:	112 mm
Dimensions of the mounting hole - width:	227 mm
Built-in depth:	65 mm
Wire length:	3 m
Width:	265 mm
Length:	119 mm
