# Doorbell button, battery-powered, for wireless doorbells, ATEL series, white

Marka: **ORNO Home** | Symbol: **OR-DB-KA-170PD/W** | Ean: **5908254844836**

## PRODUCT DESCRIPTION

The battery-operated doorbell button for the extension of the ATEL series with IP55 protection level is equipped with a protective rain shield, so that you do not have to worry about the doorbell operation during rainy days or strong gusts of wind.

As the dimensions of the transmitter are small, the doorbell may be easily fitted in any room in the house or on the wicket. Additionally, the receiver may be placed far away from the transmitter as the range of the device

ORNO GROUP Sp. z o. o. All rights reserved.

is extensive (150m in the open field). The transmitter is powered by CR2032 battery, which is included in the set.

White colour.

## TECHNICAL DATA
