

## Doorbell button, battery-powered, for wireless doorbells, ENTIKO series, white

Marka: ORNO Home | Symbol: OR-DB-RA-172PD/W | Ean: 5908254844935

### PRODUCT DESCRIPTION

The wireless battery-powered doorbell to expand the ENTIKO series is a perfect solution for those whose premises have more than one entry. The device may be placed on a door, gate, or in any convenient location.

The receiver is powered by one CR2032 battery, which is included in the set.

The range in the open field is 300m, which facilitates to place the transmitter away from the house not fearing

to lose the signal. What is more, the IP55 protects the transmitter from rain and dust ensuring reliability even in hard weather conditions.

White colour.
