

Protective rain shield for video and audio doorphones, surface-mounted, black

Marka: ORNO Home | Symbol: OR-DOM-DN-2 | Ean: 5908254844386

PRODUCT DESCRIPTION

The protective rain shield for video and audio doorphones is an equipment necessary to ensure optimum protection of the outdoor unit against severe weather conditions. The user may be sure that the unit will not be flooded.

The installation of the shield is extremely easy as it is surface-mounted. The classic black colour perfectly composes with almost every external panel, facade or fence post making it look aesthetic.

The shield is made of aluminium which ensures durability for many years. Its compact size (53x138x28mm) perfectly fits for:

OR-DOM-BA-932/W; OR-DOM-BA-933/W; VDP-61FHD; VDP-61FHD/W; VDP-61FHDZD/B; VDP-61FHDZD/W; VDP-66/B
