

STRATIS AC electromechanical, two-tone doorbell, 230V, oak

Marka: **ORNO Home** | Symbol: **OR-DP-MR-176/O** | Ean: **5908254848629**

PRODUCT DESCRIPTION

Wired, two-tone doorbell is easy to install and comfortable to use. Electromechanical doorbell with anti-lock switch function – protected against damage due to forced continuous operation. Device to be used in closed rooms with 230V AC bell installation, e.g. in a house, apartment, store, etc.

The doorbell emits two, classic ding-dong tones with a volume level of 80dB. The housing of the device is made of plastic.

Dimensions 105x170x45mm. Oak color.

The STRATIS bell series offers a variety of colours, so you can fit the device into your interior.
