

## Symmetric electric strike ECO, low current 310 mA for 12 VDC

Marka: ORNO Home | Symbol: OR-EZ-4100 | Ean: 5908254852541

### PRODUCT DESCRIPTION

### TECHNICAL DATA

## General information:

<b>Model:</b>	Do drzwi standardowych
<b>Type of latch:</b>	Zatrzask standardowy
<b>Construction type:</b>	Symetryczny
<b>Built-in position:</b>	Pionowy
<b>Height [mm]:</b>	69
<b>Width [mm]:</b>	21
<b>Depth [mm]:</b>	29
<b>Assembly arrangement:</b>	Część ramowa (Elektro zaczep)
<b>Voltage [V]:</b>	10-24
<b>With locking:</b>	Nie
<b>With Memory:</b>	Nie
<b>With latch regulation:</b>	Tak
<b>With feedback signal:</b>	Nie
<b>Opening direction according to DIN:</b>	Lewy/prawy
<b>Water protected:</b>	Nie
<b>Mounting method:</b>	Do wbudowania
<b>Type of current:</b>	AC/DC
<b>Principle of operation:</b>	Prąd pracy
<b>Unlocking method:</b>	Model standardowy
<b>Utility category according to EN 14846:</b>	3
<b>Lasting functionability according to EN 14846:</b>	C
<b>Mass of door, clamp force according to EN 14846:</b>	3
<b>Suitable for fire- and smoke protection doors according to EN 14846:</b>	A
<b>Safety - personal protection according to EN 14846:</b>	0
<b>Environmental condition according to EN 14846:</b>	L
<b>Safety - burglary protection according to EN 14846:</b>	0
<b>Protection effect electric operating mode according to EN 14846:</b>	0

Protection effect mechanic operating mode according to EN 14846:	0
Connection voltage [V]:	10-24
Voltage type:	AC/DC
Power consumption during operation:	310mA / 12VDC
