

Wireless lighting programmer with 3-channel remote control units (2 pcs.)

Marka: **ORNO Home** | Symbol: **OR-GB-448** | Ean: **5908254817144**

PRODUCT DESCRIPTION

The device is intended for wireless switching on and off of electrical devices inside rooms e.g., lighting. Switching on and off is done with a use of a remote-control unit (transmitter, 2 pcs included). The receiver is connected to the lighting like a normal switch. It is possible to simultaneously turn on and off all of the connected devices (lamps).
