PRODUCT DESCRIPTION

A set of three sockets with Schuko grounding and current circuit protection, connected to a USB (A+C) charger with the QC 3.0 system, placed in a retractable housing. In addition, the set has an inductive charger that allows convenient, wireless charging of external devices. These sockets are intended for installation in conference tables, office and kitchen table tops. Equipped with a 1.5 m cable. A precise mechanism

automatically ejects the panel with sockets after pressing. Installation only requires a hole with a 10cm diameter.
