PRODUCT DESCRIPTION

A furniture socket is a practical solution that works well in interiors where easy access to electricity is needed. The presented socket is surface-mounted and thanks to its design it may be aesthetically integrated into, e. g. desks, bathroom cabinets or office countertops. It is IP20 rated and may be installed in dry places not exposed to moisture.

It is equipped with two Schuko-type sockets (2x2P+E). This enables to connect two devices in one place in a
