PRODUCT DESCRIPTION

Gain order and comfort in your workplace. with a Ø6 cm furniture socket that you can integrate into the top of a desk or table, at home or in the office. Once installed, it is unobtrusive and you always have access to power at hand. Simply slide the cover to connect your laptop, charger or other device – no more searching for a free socket under your desk.

The socket is equipped with one 2P+E connector (type F – Schuko) and two USB ports (1x USB-A, 1x USB-C), so

you may connect a computer and charge a phone or tablet at the same time. The ports support fast charging: USB-A QC 3.0 and USB-C PD 20W, allowing you to quickly supply energy to your mobile devices.

Thanks to the long power cable (1.9 m), you may easily bring power to the desired location.

A sliding cover protects the interior from dust, and the socket itself helps keep your desk tidy. Always have power at hand!
