Marka: Orno | Symbol: OR-GM-9045(GS)/B | Ean: 5908254847097

### PRODUCT DESCRIPTION

Recessed furniture socket with flat milled edge is not only a practical device but also an elegant addition to each modern interior. It perfectly works both in the home and in the office.

Three Schuko type sockets (3x2P+E) with the wire measuring 1,5m ensure smooth installation, and the wire's cross section measuring 3x1,5mm<sup>2</sup> guarantees safe operation. The socket is made of high-quality alloy of zinc and steel sheet, thanks to which the socket is damage resistant. The built-in anti-dust brush effectively

protects the socket against dust and dirt.

The socket is black, rectangular in shape (265x130 mm). The thickness of the milled edge is only 2 mm, which gives the effect of subtlety and a discreet finish. The socket is perfect for indoor dry rooms, such as offices, study rooms, conference rooms or living rooms.

Available also with French type sockets.
