Furniture socket with USB charger, cable grommet and 1.4m cable, 1x2P+E (French), 2xUSB (A+C type; PD20W), black

Marka: **Orno** | Symbol: **OR-GM-9051/B** | Ean: **5908254852015**

PRODUCT DESCRIPTION

Organize your workspace and ensure quick access to power! Build this socket into your desk, table or kitchen island and you'll have a convenient place to plug in your laptop, lamps or small appliances right where you work.

ORNO GROUP Sp. z o. o. All rights reserved.

Use the French socket (2P+E) and two USB ports simultaneously: USB-A and USB-C. Charge your phone, headphones or power bank without additional chargers! The USB-A port supports 5V/3A, 9V/2A and 12V/1.5-1.67A fast charging. Both ports provide a total of 5V/3A, and their universal setup fits any device, regardless of generation.

The built-in cable grommet helps you manage your cables, so they don't get tangled on the countertop.

When you want to use the socket in a different place, simply remove the module from the housing – in a few seconds you can turn it into a practical desk extension cord that you may place wherever you happen to work.

The long power cord (1.4 m) allows for easy connection to the nearest power box or strip.

The socket supports a load of up to 3680W, has an IP20 rating, and offers high charging efficiency. This means your desk will always be tidy and your devices will charge quickly and safely.

TECHNICAL DATA

General information:

Model:	Do wbudowania
Folding:	nie
Extendable:	tak
Nominal voltage [V]:	230
Frequency [Hz]:	50
Max. Load [W]:	3680
Standard of the socket:	French (typ E)
Number of socket outlets French standard (Type E):	1
Number of USB connections:	2
USB port type:	1xUSB-A, 1x USB-C
With built-in USB power supply:	tak
Output voltage of the USB charger:	USB-A: 5V / 3A, 9V / 2A, 12V / 1.5A ; USB-C: 5V / 3A, 9V / 2,22A, 12V / 1.67A ; USB A+C: 5V / 3A
Degree of protection (IP):	IP20
Shape:	Okrągły
