

## Insulated twin cable end terminal, max. section 2.5mm<sup>2</sup>, copper sleeve length: 10mm, 100 pcs.

Marka: Orno | Symbol: OR-KK-8101/2,5/10 | Ean: 5908254808098

### PRODUCT DESCRIPTION

Twin cable, insulated end terminals that can be clenched on ends of a pair of cables. They help to join ends of a pair of cables in a neat and fixed manner. Thanks to the use of an end terminal, stranded wires can be entered to push-in connectors and they help to increase the quality of screw connection. Our offer includes insulated end terminals of many different max. section parameters and different sleeve lengths.

## TECHNICAL DATA

## General information:

|  |                         |
|--|-------------------------|
| Terminal length:                           | 10                      |
| Packaging:                                 | Plastic bag             |
| Insulation material:                       | PP                      |
| Type:                                      | Double insulated sleeve |
| Contacts material:                         | Copper (100%) Tinned    |
| Number of items in a collective packaging: | 100 pcs                 |
| Colour:                                    | grey                    |
| Compliance with standards:                 | EN 60352-2:2006         |
