

Insulated spade terminal, max. section 6mm², spade for M6 screw, 100pcs

ORNO

Marka: Orno | Symbol: OR-KK-8104/6/6 | Ean: 5908254846755

PRODUCT DESCRIPTION

The insulated spade terminal is designed for crimping and terminating multicore and flexible cables, ensuring a safe and reliable electrical connection. Its spade shape is suitable for M6 (1/4 inch) screw and a maximum conductor cross-section of 6 mm².

Made of copper and coated with a tin layer, it guarantees high conductivity and corrosion resistance. The thickness of the conductive material measuring 0.8 mm ensures appropriate mechanical resistance. The PVC

insulation is yellow.

Complies with EN 60352-2:2006.

The pack contains 100 pcs.

TECHNICAL DATA

General information:

Bolt dimension (metric):	M6
Flange shape:	Widelkowy
Insulation:	Polichlorek winylu (PVC)
Colour insulation:	Żółty
Nominal cross section [mm²]:	6
Thickness of conductive material [mm]:	0.8
Suitable for stranded conductors:	Tak
Suitable for fine strand conductors:	Tak
Material:	Miedź
Surface protection:	Cynowanie
Stud size (imperial):	1/4 cala
Number of pieces in the package [szt.]:	100
Compliance with standards:	EN 60352-2:2006
