PRODUCT DESCRIPTION

This round cable clip is used to organize and secure wires. You can attach it to wooden surfaces using the included nail.

Use the clip to secure and organize cables up to 6 mm in diameter.

Simply place the clip in the desired location, drive in a nail, and then push the wire in until it locks into place.

The black colour of the clip suits dark, industrial and loft interiors.

The package contains 25 pieces, which will allow you to organize your wiring in many places.
