Wireless code lock for gate drives ORNO by avidsen

Marka: **ORNO by Avidsen** | Symbol: **OR-NBR-AV-4255** | Ean: **5908254848490**

PRODUCT DESCRIPTION

Wireless code lock for gate drives ORNO by AVIDSEN. The wireless control panel for ORNO by AVIDSEN gate drives is a functional solution for managing automatic devices. The panel provides convenient control over automated gates and garage doors. The product is easy to install and program, which makes it an ideal choice for securing automatic systems, ensuring convenience and safety of use. Programming with the help of a 4-digit code, and the device's memory allow you to save up to nine unique codes.

The panel operates over a wide temperature range from -20°C to +55°C, ensuring reliability in a variety of
