

TOS LED garden floodlight, 30W, 2200lm, IP65, 4000K, PC, white

ORNO

Marka: Orno | Symbol: OR-NL-6148WL4 | Ean: 5908254812255

PRODUCT DESCRIPTION

Garden floodlight designed for outdoor installation in parking areas, gardens, buildings, fences and billboards, etc. It is also suitable for indoor installation in areas, such as halls, garages. Built-in LED SMD diodes constitute the source of light and guarantee high energy-efficiency and long service lifetime. A movable fixture allows to adjust light angle (180° horizontally, 125° vertically). The fixture is highly resistant to harsh weather conditions (-20 ~+40°C). Available in black or white colour.

TECHNICAL DATA

General information:

IK rating:	10
Luminous flux:	2200 lm
Rated power:	30 W
Light source:	LED SMD
Degree of protection (IP):	65
Colour temperature:	4000K
Nominal voltage:	230V~, 50Hz
Colour:	white
Dimensions - depth:	199 mm
Dimensions - width:	225 mm
Dimensions - height:	187 mm
Colour rendering index CRI:	>80
Material of the lampshade:	PC
Control of the motion sensor:	No
