

## AQUATIC MINI IP54 doorbell button, white/black, 10 pcs

Marka: Orno | Symbol: OR-OE-7304/WB/10 | Ean: 5908254830723

### PRODUCT DESCRIPTION

Aquatic Mini, is the sister brand of the classic Aquatic designed for special tasks.

Due to its small size, it is suitable for use wherever space is at a premium and protection against dust and water jets is required - the Aquatic features protection class IP54.

The accessories in this range consist of sockets and switches, providing the comfort of assembling

components for an entire room or even building with a consistent aesthetic.

The Aquatic Mini doorbell button, is a surface-mounted button designed to operate a doorbell. It is a type of switch whose function is to activate a bell or chime every time it is pressed.

In addition, the MINI series offers an aesthetically pleasing design that fits in with both commercial and industrial interiors. Well-fitted switch buttons and housing elements ensure safe use for a long time. Product in white and black color. Package of 10 pcs.
