AQUATIC MINI IP54 Single socket 2P+E (Schuko), white/black

Marka: **Orno** | Symbol: **OR-OE-7305(GS)/WB** | Ean: **5908254829314**

PRODUCT DESCRIPTION

Aquatic Mini, is the sister brand of the classic Aquatic designed for special tasks.

Due to its small size, it is suitable for use wherever space is at a premium and protection against dust and water jets is required - the Aquatic features protection class IP54.

The accessories in this range consist of sockets and switches, providing the comfort of assembling

components for an entire room or even building with a consistent aesthetic.

The Aquatic Mini 2P+E single socket is the simplest, basic variant of electrical sockets. It is small, so it will fit into tight recesses or on a narrow section of wall.

In addition, the MINI series offers an aesthetically pleasing design that fits in with both commercial and industrial interiors. Well-fitted switch buttons and housing elements ensure safe use for a long time. Schuko type socket, in white and black color.
