

## AQUATIC MINI IP54 Single socket 2P+E, white/black, 10 pcs

Marka: Orno | Symbol: OR-OE-7305/WB/10 | Ean: 5908254830730

### PRODUCT DESCRIPTION

Aquatic Mini, is the sister brand of the classic Aquatic designed for special tasks.

Due to its small size, it is suitable for use wherever space is at a premium and protection against dust and water jets is required - the Aquatic features protection class IP54.

The accessories in this range consist of sockets and switches, providing the comfort of assembling

components for an entire room or even building with a consistent aesthetic.

The Aquatic Mini 2P+E single socket is the simplest, basic variant of electrical sockets. It is small, so it will fit into tight recesses or on a narrow section of wall.

In addition, the MINI series offers an aesthetically pleasing design that fits in with both commercial and industrial interiors. Well-fitted switch buttons and housing elements ensure safe use for a long time. French type socket, in white and black color. Package of 10 pcs.
