Marka: Orno | Symbol: OR-OE-7306/WB/5 | Ean: 5908254830754

PRODUCT DESCRIPTION

Aquatic Mini, is the sister brand of the classic Aquatic designed for special tasks.

Due to its small size, it is suitable for use wherever space is at a premium and protection against dust and water jets is required - the Aquatic features protection class IP54.

The accessories in this range consist of sockets and switches, providing the comfort of assembling

components for an entire room or even building with a consistent aesthetic.

The Aquatic Mini 2P+E double socket is the basic variant of electrical sockets. It is small, so it will fit into tight recesses or on a narrow section of wall.

In addition, the MINI series offers an aesthetically pleasing design that fits in with both commercial and industrial interiors. Well-fitted switch buttons and housing elements ensure safe use for a long time. French type socket, in white and black color. Package of 5 pcs.
