Marka: Orno | Symbol: OR-OE-7404/GR | Ean: 5908254829390

PRODUCT DESCRIPTION

The Aquatic Pro, is a series designed for the most demanding users, characterised by a robust, sealed construction, a simple, universal design and a protection level for dust and spill resistance - IP55.

Internally, the Aquatic is fitted with rubber sealing elements, externally it is composed of solidly fitted components made of quality flexible plastic, which is resistant to impact and fading.

The Aquatic Pro doorbell button, is a surface-mounted button designed to operate a doorbell. It is a type of switch whose function is to activate a bell or chime every time it is pressed.

The Aquatic Pro is also an aesthetically pleasing design that blends in with commercial interiors or industrial spaces. The series includes single-pole switches, two-button switches, single and double sockets, socket sets, doorbell buttons with and without illumination, and shutter switches.

The wide selection of elements makes it easy to complete a uniform furnishing for a room or even a building.

The series is in a grey-graphite colour scheme.
