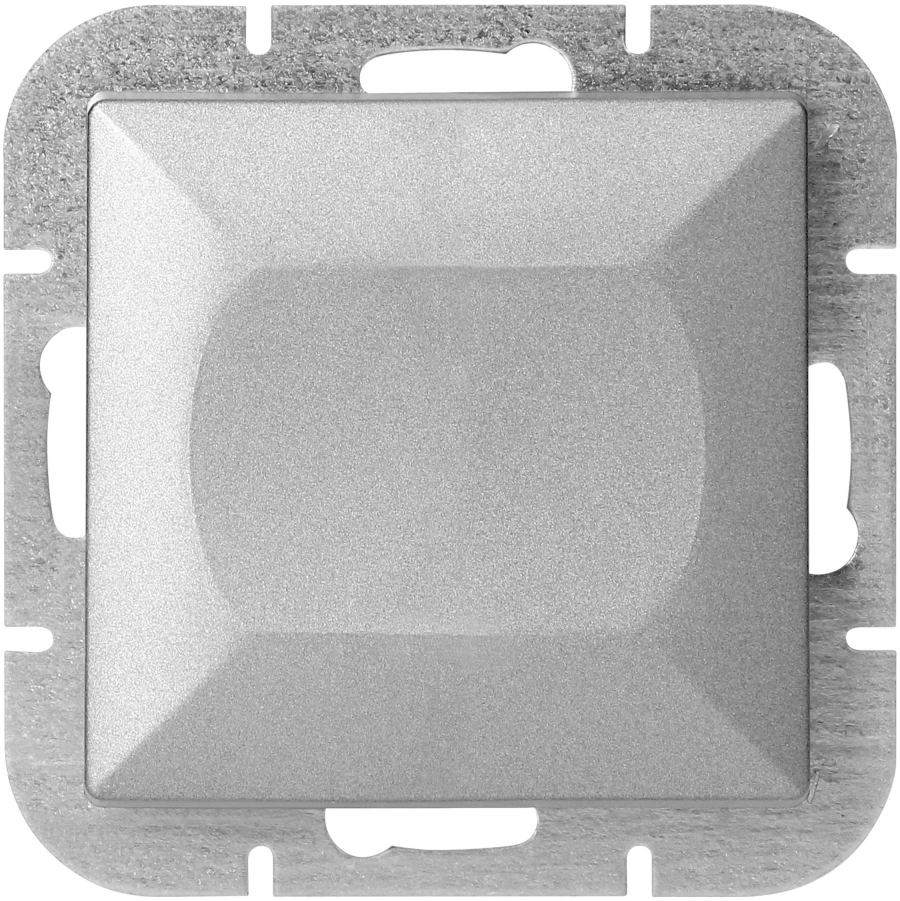
Flush-mounted three-way switch with illumination Pearl, 10A, 250V, WP-5P/S, silver

Marka: **Orno** | Symbol: **OR-OE-7702/P/G** | Ean: **5904988916825**



PRODUCT DESCRIPTION

Turn the light on and off as convenient for you! This Pearl series switch allows you to control the same lighting from two different locations, for example from the bottom and top of the stairs or from both sides of a long hallway. This allows you to turn the light on when you go up the stairs and turn it off once you get there.

A subtle orientation backlight makes the button visible even in dim light, so you always know where to press.

ORNO GROUP Sp. z o. o. All rights reserved.

The switch's surface has a universal silver colour, suitable for many interiors. You can also match the Pearl switches with silver sockets and frames from the same series.

The Pearl WP-5P/S switch can be mounted flush, using screws or claws, in a standard junction box.

TECHNICAL DATA

General information:

Wiring system:	Łącznik schodowy
Method of operation:	Przycisk wahadłowy
Assembly arrangement:	Element systemu modułowego do osprzętu elektroinstalacyjnego
Number of rockers:	1
Mounting method:	Montaż podtynkowy
Type of fastening:	Montaż pazurkowy /-śrubowy
Material:	Tworzywo sztuczne
Material quality:	Tworzywo termoplastyczne
Surface protection:	Malowanie
Colour:	Srebrny
Label space/information surface:	Nie
Illumination:	Tak
Function lighting:	Orientacyjne
Suitable for degree of protection (IP):	IP20
Nominal voltage [V]:	250
Frequency [Hz]:	50
Rated current [A]:	10
Connection type:	Zacisk śrubowy
Device width [mm]:	81
Device height [mm]:	81
Device depth [mm]:	14
