

## Flush-mounted single socket 2P Pearl, 16A, 250V, PT-15P, silver

Marka: Orno | Symbol: OR-OE-7705/2P/G | Ean: 5904988916870

**ORNO**

### PRODUCT DESCRIPTION

### TECHNICAL DATA

## General information:

|                                               |                             |
|-----------------------------------------------|-----------------------------|
| Model:                                        | CEE 7/1 bez uziemienia      |
| Protective contact:                           | Brak                        |
| Number of units:                              | 1                           |
| Number of modules (module system):            | 1                           |
| Number of phases:                             | 1                           |
| Connection type:                              | Zacisk śrubowy              |
| With enhanced contact protection:             | Nie                         |
| Label space/information surface:              | Nie                         |
| Colour:                                       | Srebrny                     |
| Mounting method:                              | Montaż podtynkowy           |
| Type of fastening:                            | Montaż pazurkowy / -śrubowy |
| Material:                                     | Tworzywo sztuczne           |
| Material quality:                             | Tworzywo termoplastyczne    |
| Surface protection:                           | Malowanie                   |
| Surface finishing:                            | Matowy                      |
| Nominal current [A]:                          | 16                          |
| Nominal voltage [V]:                          | 250                         |
| Frequency [Hz]:                               | 50                          |
| Suitable for degree of protection (IP):       | IP20                        |
| Device width [mm]:                            | 81                          |
| Device height [mm]:                           | 81                          |
| Device depth [mm]:                            | 11                          |
| Built-in depth [mm]:                          | 30                          |
| Min. depth of built-in installation box [mm]: | 30                          |
