

NORTES LED mirror light, aluminum

Marka: **Orno** | Symbol: **OR-OM-6104L4** | Ean: **5902560329933**

PRODUCT DESCRIPTION

LED lamp for the illumination of mirrors, paintings or other elements that we would like to display. Due to the elongated, flat shape, it can be used as a high-quality lamp, which provides an even illumination. The power of the emitted light is particularly high, despite the low energy consumption. High degree of protection (IP44), provides a sufficient protection against dust and moisture. Designed in accordance with the latest trends, it combines the simplicity of form and modern functionality.

TECHNICAL DATA

General information:

Rated power:	5 W
Light source:	LED SMD
Degree of protection (IP):	44
Colour temperature:	4000
Nominal voltage:	230V~, 50Hz
Colour:	inox
Installation:	surface mounting
Motion sensor:	No
Dimensions - depth:	40 mm
Dimensions - width:	300 mm
Dimensions - height:	100 mm
Other features:	three installation methods
Colour rendering index CRI:	>80
Material:	aluminum
