

PEEGEL LED mirror lamp, 9W, 4000K

Marka: Orno | Symbol: OR-OM-6122L4 | Ean: 5900378658160

PRODUCT DESCRIPTION

PEEGEL LED mirror lamp is a perfect and elegant solution to provide proper lighting above a mirror or a glass cabinet. It can be mounted both: on the wall and inside the cabinet. Bright LED diodes ensure long service lifetime and thanks to high ingress protection level IP44, it can be installed in areas of increased humidity. The fixture is made of plastic and the lampshade is acrylic. The main lighting panel is 60cm long.

TECHNICAL DATA

General information:

Luminous flux:	810 lm
Rated power:	9 W
Light source:	LED SMD
Degree of protection (IP):	44
Colour temperature:	4000
Nominal voltage:	230V~, 50Hz
Colour:	chrome
Installation:	surface mounting
Motion sensor:	No
Dimensions - depth:	600 mm
Type of switch:	on/off
Dimensions - height:	105 mm
Colour rendering index CRI:	>80
Material:	plastic + acrylic
