Marka: Orno | Symbol: OR-PL-303WE27SMM | Ean: 5901752481107

PRODUCT DESCRIPTION

Due to combination of the classic housing, milk light glass and aesthetic stylistics, the plafond is ideally integrated with any interior. The protection level IP44 allows its installation in rooms of increased humidity. The microwave motion detector located inside the ceiling light fitting responds to motion and the twilight sensor switches lighting on only if necessary (depending on settings).
