

VEGA LED NEW ceiling light with microwave sensor, 24W

Marka: Orno | Symbol: OR-PL-6130WLXMM4 | Ean: 5900378659693

PRODUCT DESCRIPTION

A combination of classic milk lampshade and an appealing design makes the lamp suitable for any interior. Use of the energy-saving LED SMD technology reduces energy consumption up to 90%. In addition, this model has a built-in microwave motion sensor, that activates the light only when motion is detected, and a twilight sensor that switches lighting on only if necessary (depending on settings).

TECHNICAL DATA

General information:

Luminous flux:	1680 lm
Rated power:	24 W
Light source:	LED SMD
Degree of protection (IP):	44
Colour temperature:	4000
Nominal voltage:	230V~, 50Hz
Colour:	white
Dimensions - depth:	90 mm
Dimensions - width:	385 mm
Dimensions - height:	385 mm
Colour rendering index CRI:	80
Material of the lampshade:	PMMA COVER+STEEL
Control of the motion sensor:	Yes
Type of sensor:	microwave
