Marka: **ORNO Home** | Symbol: **OR-SH-17205/W** | Ean: **5908254844492**

### PRODUCT DESCRIPTION

The intelligent flush-mounted single socket is an innovative solution enabling local and remote control over appliances connected in the home.

Thanks to integration with TUYA Smart platform, the user may remotely control the socket from any place in the world. Simply install the app on a smartphone that supports Android or iOS. One may manage the appliance both remotely, with the help of Wi-Fi and an app, and locally, which enables control over electric

appliances connected to the socket.

The built-in energy meter allows to precisely monitor and fully optimize the energy consumption with the help of smart function.

The socket is intended for flush mounting. It has one protective contact (a pin). It is made of white shiny glass making the interior look modern. The IP20 rate enables installation in dry rooms, such as living rooms, hallways or bedrooms. The dimensions measure 86x86 mm. Available also in black colour.
