

Tuya Smart Wi-Fi surface-mounted single socket, Schuko, IP55

Marka: **ORNO Home** | Symbol: **OR-SH-17405(GS)** | Ean: **5908254845581**

PRODUCT DESCRIPTION

The intelligent single splash-proof surface-mounted socket is an innovative solution which facilitates local and remote control over appliances connected in the home.

Thanks to integration with Tuya Smart platform, the user may remotely control the appliances from any place in the world. Simply install the app on a smartphone supporting Android and iOS systems. Managing of the socket may thus be remote with the help of Wi-Fi and app, and local which provides control over appliances

connected to the socket.

The built-in energy meter allows to precisely monitor and fully optimize the electricity consumption via smart feature.

The socket is intended for surface mounting. It has one protective contact (Schuko). It is made of high-quality grey plastic. The matte finish perfectly blends in every interior.

The high ingress protection rate IP55 facilitates installation in dry rooms, such as living rooms, hallways or bedrooms, and also in rooms of increased humidity, e.g. in bathrooms or kitchens. Resistance to moisture makes the socket a perfect solution for connecting outdoor appliances (garden), such as garden sprinkler valves or Christmas lights. The IP55 rating ensures reliability and safety of operation in all weather conditions.

The dimensions measure 70x86 mm. French version also available.

TECHNICAL DATA

General information:

Model:	Ze stykiem ochronnym (SCHUKO)
Protective contact:	tak
With signal lamp:	nie
Number of units:	1
Number of phases:	1
Connection type:	Zacisk śrubowy
With hinged lid:	tak
With enhanced contact protection:	tak
Label space/information surface:	nie
Colour:	Szary
with energymeter:	tak
Mounting method:	Montaż natynkowy
Type of fastening:	Montaż natynkowy
Material:	Tworzywo sztuczne
Material quality:	Tworzywo termoplastyczne

Surface protection:	Stan surowy
Surface finishing:	Matowy
With on/off switch:	nie
Nominal current [A]:	16
Nominal voltage [V]:	230
Frequency [Hz]:	50
Suitable for degree of protection (IP):	IP55
Width of device [mm]:	70
Height of device [mm]:	86
Depth of device [mm]:	65
Powered by TUYA:	Tak
Compatible with Google Assistant:	Tak
Compatible with Amazon Alexa:	Tak
Life time:	100000
Quantity:	1
Operating system:	IOS/Android
Wi-Fi:	Tak
Wi-Fi Standard:	IEEE 802.11 b/g/n 2,4G
Operating Temperature [°C]:	(-20 °C 70 °C)
Wi-Fi transmitter power:	≤0.2W
