

## Tuya Smart Wi-Fi surface-mounted single socket, IP55

Marka: **ORNO Home** | Symbol: **OR-SH-17405** | Ean: **5908254844539**

### PRODUCT DESCRIPTION

The intelligent single splash-proof surface-mounted socket is an innovative solution which facilitates local and remote control over appliances connected in the home.

Thanks to integration with Tuya Smart platform, the user may remotely control the appliances from any place in the world. Simply install the app on a smartphone supporting Android and iOS systems. Managing of the socket may thus be remote with the help of Wi-Fi and app, and local which provides control over appliances

connected to the socket.

The built-in energy meter allows to precisely monitor and fully optimize the electricity consumption via smart feature.

The socket is intended for surface mounting. It has one protective contact (pin). It is made of high-quality grey plastic. The matte finish perfectly blends in every interior. The high ingress protection rate IP55 facilitates installation in dry rooms, such as living rooms, hallways or bedrooms, and also in rooms of increased humidity, e.g. in bathrooms or kitchens.

The dimensions measure 70x86 mm. Schuko version also available.
