

LED strip male power plug DC 5.5/2.1

Marka: Orno | Symbol: OR-TL-6188/W-Z/10 | Ean: 5908254805974

PRODUCT DESCRIPTION

LED strip power plug (DC 5.5/2.1, male) helps to connect LED strip to LED strip power supply units with 2.1/5.5 sockets, or to other accessories that have the same type of socket, e.g. LED dimmers. The wire has a form of a line and its ends are left ready for soldering, which makes installation of the plug very easy.
