

Video-monitor 7" for extension of video door phone sets, VIBELL series, black

Marka: **Vibell** | Symbol: **OR-VID-EX-1057MV/B** | Ean: **5900378659181**

PRODUCT DESCRIPTION

Colour, LCD video-monitor, with 7" high-resolution display is perfect for the extension of VIBELL series. It does not require any uniphone, as you can talk to the person standing outside via a loud-speaking monitor. The device can be upgraded with any VIBELL compatible video-camera (with a door lock output), additional VIBELL video-monitors and CCTV cameras. The set has an additional gate control function, that can be activated without any auxiliary accessories. Available colours: black and white.
