

Video-monitor 7" for extension of video door phone sets, VIBELL series, white

Marka: **Vibell** | Symbol: **OR-VID-EX-1060PMV/W** | Ean: **5900378655657**

PRODUCT DESCRIPTION

Colour, multifunction video-monitor which features both safety and convenience in use. It has a useful and clear OSD menu and a high-resolution, LCD display which enables touch control and brightness adjustment. This device is equipped with built-in memory, an SD card slot, an answering machine function, an alarm clock and time display. Users can select one of 7 available ringtones and adjust its volume to their own preferences. It can be upgraded with any VIBELL compatible video-camera (with a door lock output), additional VIBELL video-monitors and CCTV cameras. This video-monitor has an additional gate control function, that can be

activated without any auxiliary accessories. Available colours: black and white.
