

Video monitor 4,3", to expand PACTO-set, touch panel

Marka: **ORNO Home** | Symbol: **OR-VID-MB-1083MV/B** | Ean: **5908254844980**

PRODUCT DESCRIPTION

A video monitor 4.3" designed to expand the PACTO set. It provides a clear image, but also allows intuitive navigation using touch buttons.

Controlling the wicket and gate increases convenience. The power supply of the electric strike (max. 300mA) does not require an additional connection to the wicket, which eliminates the need to run additional wires through the garden.

Additional monitors (max. 2 per set), with intercom function, enable communication in a multi-storey house and also increase the feeling of peace of mind, as the camera can be viewed from the outdoor unit at any time.

The dimensions of the monitor are 142x145mm. Black colour.

TECHNICAL DATA

General information:

With video:	tak
Installation technique:	System wieloprzewodowy
Number of wires :	4
Mounting method:	Montaż natynkowy
Hands free:	tak
Screen diagonal (inch):	4,3"
With touch screen:	nie
Resolution of the monitor's screen:	480x272
Property picture system:	Kolor
Can be connected to smartphone:	nie
With memory function:	nie
Internal communication:	tak
Operation door lock:	tak
With automatic door opener:	tak
Number of ringtones:	16
Specific call tone:	nie
Loudness control:	tak
Mutable call tone:	nie
Additional device connectable:	tak
Material:	Tworzywo sztuczne
Colour:	Czarny

Width [mm]:	142
Height [mm]:	145
Depth [mm]:	19
