

## Single family video outdoor unit, to expand ALERTO sets

Marka: ORNO Home | Symbol: OR-VID-MD-1084KV | Ean: 5908254845024

### PRODUCT DESCRIPTION

Video outdoor unit to expand the ALERTO set. Equipped with a camera with a wide viewing angle of 120° horizontally and 65° vertically and a call button.

The outdoor unit is equipped with an IR night light function to ensure visibility after dark without blinding the visitor. The IP65 degree of protection guarantees durability and resistance to corrosion, while adding to the aesthetics with its modern design. The compact dimensions (50x136mm) allow the device to be installed

anywhere, even on a fence post.

Expanding the set with an additional outdoor unit (max. 2 per set) increases the feeling of security and peace of mind. A video outdoor unit can be placed at the second entrance to the property.

Made of durable plastic, in black.
