

AC/DC LED power supply 10W, IP67

Marka: Orno | Symbol: OR-ZL-1618 | Ean: 5901752486928

PRODUCT DESCRIPTION

The LED power supply unit for flush mounting is the perfect solution for powering various types of lighting, such as LED strips or single diodes. It is an indispensable element of lighting that guarantees comfort and safety. The device finds its use in various spaces such as the home or office.

The LED power supply with an output voltage of 12V delivers a maximum power of 10W.

The power supply's metal housing protects the device from external damage and its high IP67 protection level makes it resistant to moisture, dust and harsh weather conditions.

The unit's compact dimensions (50x58x25mm) make installation extremely easy and convenient.
