

Smart handle with code lock IP44 , released with PIN and Bluetooth

Marka: ORNO Home | Symbol: OR-ZS-850 | Ean: 5908254802133

PRODUCT DESCRIPTION

This smart handle has a built-in code lock and it is suitable for installation in left- and right-hand doors, where a standard handle is usually mounted. It unlocks the door either by user's PIN code, or by a free smartphone app using Bluetooth 4.0. The mounting screws included to the set enable installation in doors 38mm-58mm thick. Thanks to its simple design, the handle is very elegant and goes well with most of the interiors.
