

Plug protectors for French type sockets, 6 pcs + a key

Marka: **Virone** | Symbol: **SC-1** | Ean: **5908254821905**

ViRONE

PRODUCT DESCRIPTION

Plug protectors minimize the risk of putting undesired objects into electric sockets. These products prove really helpful at homes with small children. Thanks to the key, that comes with the set, plug protectors can be easily and quickly installed or removed. These protectors can be used with French type sockets with and without earthing. The set includes 6 plug protectors and a key.
