

Set of 3 LED bulbs 1 W, 230 V, E27, 3000 K

Marka: **Virone** | Symbol: **SW/E27-10/3** | Ean: **5908254848148**

PRODUCT DESCRIPTION

Create atmospheric garden lighting with a set of 3 energy-saving 1W LED bulbs with an E27 base, dedicated to LG-3 series of lighting garlands. Choose this set if you want to create a cozy atmosphere in your garden, on the balcony or terrace.

The bulbs emit light with a warm, relaxing colour temperature of 3000 K. The 80 lm light output creates a soft, even effect – perfect for illuminating a relaxation area, gazebo or outdoor party.

The transparent pear-shaped bulb and colourless housing disperse the light, while the high colour rendering index of CRI 80 ensures a natural appearance of the surroundings. Thanks to the IP44 rate, the bulbs in the garlands with E27 sockets are protected against moisture and can be hung outdoors.

An average life of 30,000 hours means long use.

You can use the set of 3 LED bulbs to complement your existing garland or as a new light decoration.

TECHNICAL DATA

General information:

Nominal voltage [V]:	230
Lamp power [W]:	1
Voltage type:	AC
Luminous flux [lm]:	80
Colour rendering index CRI:	80-89
Lamp shape:	Kształt gruszki
Type of glass/cover:	Przezroczysty
Colour of light according to EN 12464-1:	Ciepła < 3300 K
Socket:	E27
Colour temperature [K]:	3000
Housing colour:	Bezbarwny
Beam angle [°]:	270
Dimmable:	nie
Diameter [mm]:	45
Length [mm]:	85
Degree of protection (IP):	IP44
Energy efficiency class according to EU regulation 2019/2015:	G
Min. number of switching cycles:	15000
Average nominal lifespan [h]:	30000
