Marka: **Virone** | Symbol: **SW/E27-11/3** | Ean: **5908254852336**

VIRONE

PRODUCT DESCRIPTION

Create subtle, decorative lighting in your garden, terrace or balcony with this set of 3 0.1W LED bulbs with an E27 base, designed for 24V garlands. These are energy-saving light sources that are perfect when an atmospheric effect is what matters most.

The bulbs emit a warm light of 3000 K, creating a pleasant atmosphere conducive to relaxation. The luminous flux of 10 lm provides delicate, spot lighting.

The colourless, pear-shaped bulb has classic design, and the high colour rendering index of CRI 80 guarantees natural reproduction of the surrounding colours. The wide 270° beam angle disperses light evenly.

Thanks to the IP44 rate, the bulbs are suitable for installation in outdoor garden garlands.

A long average life of 30,000 hours and 15,000 switching cycles guarantee long-term use without the need for frequent bulb replacement.

A set of 3 pieces is perfect for supplementing or extending a garland illuminating a garden, gazebo or pergola.

TECHNICAL DATA

General information:

Nominal voltage [V]:	24
Lamp power [W]:	0.1
Voltage type:	DC
Luminous flux [lm]:	10
Colour rendering index CRI:	80-89
Lamp shape:	Kształt gruszki
Type of glass/cover:	Przezroczysty
Colour of light according to EN 12464-1:	Ciepła < 3300 K
Socket:	E27
Colour temperature [K]:	3000
Housing colour:	Bezbarwny
Beam angle [°]:	270
Dimmable:	nie
Diameter [mm]:	45
Length [mm]:	85
Degree of protection (IP):	IP44
Min. number of switching cycles:	15000
Average nominal lifespan [h]:	30000
