

THAR LED PIR 12W A60, bulb with PIR 12W, 850lm, 4000K

Marka: **Virone** | Symbol: **SW/R-2** | Ean: **5908254817656**

PRODUCT DESCRIPTION

THAR LED a modern light source in shape of a bulb, equipped with SMD LED diodes, which guarantee high energy efficiency and long service life of the device. This product has rated power of 12W and emits light with luminous flux of 850 lm. This product shines with a natural white color at a temperature of 4000K. Our LED bulb has a built-in microwave motion sensor, which allows to control other light source after motion is detected in the detection area, and when the ambient light is reduced to <20lux. The motion detection range is up to 10m. Lighting time, after detection of a motion is ca. 60 sec. The bulb has an E27 thread and does not require any

installation. Just install it in place of a standard bulb to automatically turn the lamp on and off.

TECHNICAL DATA

General information:

Luminous flux:	850 lm
Rated power:	12 W
Light source:	LED SMD
Colour temperature:	4000K
Nominal voltage:	230V~, 50Hz
Installation:	E27 thread
Motion sensor:	Yes
Type of sensor:	PIR
Adjustable daylight sensor (LUX):	No
Adjustable time setting (TIME):	No
Adjustment of motion detection range (SENS):	No
