

End cap for light rail, white

Marka: **Virone** | Symbol: **TC-4/W** | Ean: **5908254827723**

VIRONE

PRODUCT DESCRIPTION

End cap for the installation of VIRONE light rails will work wherever system solutions are needed. This white end cap closing the rail, is suitable for use with VIRONE light tracks. It is also compatible with other elements of the series – it will help you quickly and efficiently complete the intended lighting project. It is made of safe and high-quality materials and it allows to close the track from any side. No more searching: left – right. Do not waste your time and choose optimal solutions. Take a look at other elements of the series: light fixtures, angled and straight connectors or live end connectors. White end cap. Also available in black.

TECHNICAL DATA
